## Welcome To Our Campus

About sri vedha academy Hyderabad

After training thousands of IIT, NIT, and NEET coaching aspirants across Hyderabad, sri vedha academy brings its 5+ years of legacy and success streak to Hyderabad.

A brainchild of our founder, Gandhi, sri vedha academy is an esteemed institution where we pride ourselves in having the best of sri vedha academy coaching faculty to train students, whilst providing a study material that can be classified as the best in the industry. Besides our well researched syllabus and teaching methodologies, we also provide a special student mentorship program to ensure that our students are not only excelling in academics, but are also ready for the dynamic life ahead

We are located in 2 locations and 11 campuses across Hyderabad in ECIL, scholar program and hostel facilities for girls and boys.  
We are managed by

Today india is all set to produce World-class engineers, technologists, doctors, scientists and management gurus without sending them abroad for grooming. The grooming that one undergoes at **institutions** in Hyderabad is now available in India, right here.

### WHAT OURS STUDENT SAYS

B

Bhargav

@Bhargav

It's a good experience...When it comes to studying in an academy, it's always helpful to hear from students who have already experienced it. They can provide insights into the teaching methods, quality of faculty, study materials, and overall learning environment.

...
